Harvard GSD selects Herzog & de Meuron, Beyer Blinder Belle for transformative expansion of School's Gund Hall. Project designed to advance School's commitment to cross-disciplinary collaboration and innovation Harvard University Graduate School of Design

Harvard Graduate School of Design

Architecture is both the process and the product of planning, designing, and constructing buildings or any other structures. Architectural works, in the material form of buildings, are often perceived as cultural symbols and as works of art. Historical civilizations are often identified with their surviving architectural achievements.
