Classification of early platformers. The term platform game is somewhat ambiguous, particularly when referring to games that predate the widespread, international use of the term. The concept of a platform game as it was defined in its earliest days is somewhat different from how the term is commonly used today.

### **Platform game - Wikipedia**

Whether it's online or console, cell phone or PC-based, the game industry in Canada is large and growing rapidly. Game developers and publishers in the Greater Toronto Area range from small specialized units to mid-sized companies to Microsoft, Nintendo and other industry leaders.
