

constipation solutions pdf

Probiotics have been shown to slow diarrhea. A new study suggests probiotics for constipation may be of help, too.

Probiotics may ease constipation - Harvard Health Blog

Constipation is a very common digestive disorder that affects people of all ages.. Constipation is medically defined as having three or fewer bowel movements in a week. In case of severe constipation, it reduces to less than one bowel movement in a week.

Home Remedies for Constipation | Top 10 Home Remedies

Constipation seems to be very common; weâ€™re frequently asked about it. Constipation can afflict low-carb dieters: It was widely reported among Atkins dieters, and is the most common side effect reported on clinical ketogenic diets for epilepsy.

Laxatives, purgatives, or aperients are substances that loosen stools and increase bowel movements.They are used to treat and prevent constipation.. Laxatives vary as to how they work and the side effects they may have. Certain stimulant, lubricant and saline laxatives are used to evacuate the colon for rectal and bowel examinations, and may be supplemented by enemas under certain circumstances.
