National State Law Survey: Non-Criminalization of Child

Criminalization or criminalisation, in criminology, is "the process by which behaviors and individuals are transformed into crime and criminals". Previously legal acts may be transformed into crimes by legislation or judicial decision. However, there is usually a formal presumption in the rules of statutory interpretation against the retrospective application of laws and only the use of ...

The evidence that immigrants tend not to be criminals is overwhelming. To begin with, there is an inverse relationship between crime and immigration. Crime rates in the United States have trended downward for many years at the same time that the number of immigrants has grown.

The Criminalization of Immigration in the United States

Criminalization. The Middle Assyrian Law Codes (1075 BC) state: If a man has intercourse with his brother-in-arms, they shall turn him into a eunuch. This is the earliest known law condemning the act of male-to-male intercourse in the military. In the Roman Republic, the Lex Scantinia imposed penalties on those who committed a sex crime against a freeborn male minor.

Political Power. We demand independent Black political power and Black self-determination in all areas of society. We envision a remaking of the current U.S. political system in order to create a real democracy where Black people and all marginalized people can effectively exercise full political power.
