The Dutch have a code of etiquette which governs social behaviour and is considered important. [citation needed] Because of the international position of the Netherlands, many books have been written on the subject. Some customs may not be true in all regions and they are never absolute. In addition to those specific to the Dutch, many general points of European etiquette apply to the Dutch as ...

Customs and etiquette in Chinese dining are the traditional behaviors observed while eating in Greater China. Traditional Han customs have spread throughout East Asia, but sometimes evolved differently – especially following the Communist revolution that produced the PRC. Even within Mainland China, there are many customs and protocols involved in formal dining, applying to almost all aspects ...

Meaning of Masonic Etiquette. Masonic Etiquette is, by definition, something that is not to be left to an individual to see or to carry out according to his own taste; he conforms to it because it was formally adopted as a conventional requirement for acceptable behavior (whether he sees a good reason for doing so or not).
