Company Overview. Energy Solutions Group, LLC provides energy consulting and brokering services to commercial and industrial clients in the deregulated energy market in the United States.

### **Energy Solutions Group, LLC: Private Company Information**

Some businesses go solar because it helps achieve environmental goals, reductions in carbon emissions, and target LED certifications. These are very good reasons, however, the most compelling reason businesses choose to install a solar energy system is because it is a clean sustainable form of energy with a lifetime of payback potential.
