Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. Social ownership can be public, collective or cooperative ownership, or citizen ownership of equity. There are many varieties of socialism and there is no single definition ...

### **Socialism - Wikipedia**

Social ownership is any of various forms of ownership for the means of production in socialist economic systems, encompassing public ownership, employee ownership, cooperative ownership, citizen ownership of equity, common ownership and collective ownership. Historically social ownership implied that capital and factor markets would cease to exist under the assumption that market exchanges ...
