

essentials of negotiation canadian pdf

Integrative negotiation is also called interest-based, merit-based, or principled negotiation. It is a set of techniques that attempts to improve the quality and likelihood of negotiated agreement by taking advantage of the fact that different parties often value various outcomes differently. While distributive negotiation assumes there is a fixed amount of value (a "fixed pie") to be divided ...

Femininity (also called girlishness, womanliness or womanhood) is a set of attributes, behaviors, and roles generally associated with girls and women. Femininity is partially socially constructed, being made up of both socially-defined and biologically-created factors. This makes it distinct from the definition of the biological female sex, as both males and females can exhibit feminine traits.
