Bring back family game night! We've launched a national effort that calls upon families in America to put down their mobile devices, turn off their TVs and put away their laptops and tablets for one night to sit around the kitchen table or family room playing their favorite board games in an attempt to re-engage the family in real conversation and nostalgic fun.

The total fertility rate of women varies from country to country, from a high of 6.76 children born/woman in Niger to a low of 0.81 in Singapore (as of 2015). Fertility is low in most Eastern European and Southern European countries; and high in most Sub-Saharan African countries.. In some cultures, the mother's preference of family size influences that of the children through early adulthood.
