

getting to i do pdf

Getting Real " a must read for anyone building a web app. Getting Real is packed with keep-it-simple insights, contrarian points of view, and unconventional approaches to software design. This isn't a technical book or a design tutorial, it's a book of ideas. Anyone working on a web app - including entrepreneurs, designers, programmers, executives, or marketers - will find value and ...

Getting Things Done is a time management method, described in the book of the same title by productivity consultant David Allen. The method is often referred to as GTD.. The GTD method rests on the idea of moving planned tasks and projects out of the mind by recording them externally and then breaking them into actionable work items. This allows one to focus attention on taking action on tasks ...
