

history of pedlars in pdf

A peddler, in British English pedlar, also known as a canvasser, chapman, cheapjack, hawker, higler, huckster, monger, or solicitor, is a traveling vendor of goods. In England, the term was mostly used for travellers hawking goods in the countryside to small towns and villages; they might also be called tinkers or gypsies. In London more specific terms were used, such as costermonger.
