

interior design theory and pdf

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. An interior designer is someone who plans, researches, coordinates, and manages such projects. Interior design is a multifaceted profession that includes conceptual development, space planning, site inspections ...

Interior design - Wikipedia

Design theory is a subfield of design research concerned with various theoretical approaches towards understanding and delineating design principles, design knowledge, and design practice.

Design theory - Wikipedia

FIT's Interior Design program is a rigorous, multidisciplinary program combines the academic study of the history and theory of interior design with practical, hands-on projects.
