Life is hard, I know first hand. Momma's Damn philosophy is a book filled with short stories. These short stories are the kind of stories that you might expect to hear from a Mother or Grandmother when they are trying to make a moral point. You know, a lesson in life, born of experience and told to help those we love make the right decisions and to guide them through life's problems.

Teaching Philosophy I am a firm believer that teaching should always be a two-way interaction between an instructor and students. As an instructor, I feel that I play multiple roles in a classroom--a facilitator with humor and wisdom, a guardian with patience and care, a role model with insights and values, and a parent with love and consideration.
