Heritage Preservation Programs Transitioned to FAIC As of June 30, 2015, Heritage Preservation was dissolved by its board, and several of its popular programs and publications transitioned to the Foundation of the American Institute for Conservation (FAIC), thus ensuring their continuation.

Looking for Heritage Preservation? Welcome to FAIC.

Conservation Practices. Technical guides are the primary scientific references for NRCS. They contain technical information about the conservation of soil, water, air, and related plant and animal resources. Technical guides used in each field office are localized so that they apply specifically to the geographic area

for which they are prepared.
