

serial killers made in pdf

A serial killer is typically a person who murders three or more people, usually in service of abnormal psychological gratification, with the murders taking place over more than a month and including a significant period of time between them. Different authorities apply different criteria when designating serial killers. While most set a threshold of three murders, others extend it to four or ...

Serial killer - Wikipedia

This is a list of notable serial killers, by the country where most of the murders were committed.

List of serial killers by country - Wikipedia

Rather than focusing solely on well-known serial killers (although some will be included), weâ€™re looking at a more diverse group â€” both men and women, different races and nationalities, etc.
