Kituba is a widely used lingua franca in Central Africa. It is a creole language based on Kikongo, a family of closely related Bantu languages. It is an official language in Republic of the Congo and Democratic Republic of the Congo. It is not entirely accurate to call Kituba a creole language as it lacks the distinction between superstrate and substrate influence that is typical of creole ...

Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.
