Georgism, also called geoism and single tax (archaic), is an economic philosophy holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist ...

The problem and prevalence. According to Sen, even though women make up the majority of the world's population, the proportion of women in each country's population varies drastically from country to country, with various countries having fewer women than men. This runs contrary to research that females tend to have better survival rates than males, given the same amount of nutritional and ...

Donovan is a sexist son of a bitch who objectifies women by keeping them on their toes, their backs, and their knees where they belong. Although he's been banned from Twitter and YouTube, that doesn't stop him from dropping red pill truth Monday through Thursday evenings at 7EST/4PST on TSR: Primetime with Donovan Sharpe. Add him on Facebook and follow him on Instagram.
