spirituality in an age pdf

The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other.. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the religions of the world.

Spirituality - Wikipedia

New Age is a term applied to a range of spiritual or religious beliefs and practices that developed in Western nations during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...

In the positive pole, persuasion, a Warrior is forceful and effective without being overbearing. In other words, respectfully persuasive, courageous and protective. In the negative pole, coercion, the Warrior descends into intimidation and brute oppression. The ends justify the means, and any approach that gets results may be perceived as useful, no matter how unpleasant for others.

The Warrior soul - Personality & Spirituality

Journey's End. Having completed the fourth stage of reincarnation*, the soul has come a long way. In the first stage, as an "Infant Soul" it learned about physical existence, life and death, and the need for nurturing. In the second stage, as a "Baby/Child Soul" it learned about society, culture and community, the need for structure, belonging, and playing a role.
