Beast (Henry Philip "Hank" McCoy) is a fictional superhero appearing in American comic books published by Marvel Comics and is a founding member of the X-Men. Originally called "The Beast", the character was introduced as a mutant possessing ape-like superhuman physical strength and agility, oversized hands and feet, a genius-level intellect, and otherwise normal appearance and speech.

The Beast from the sea also bears a name, but this name is not given anywhere in the book of Revelation. However, his name corresponds to a numerical value, that of the number 666 or 616. This number is associated with that of a man. The "mark" can be identified by either the beast's written name, or the numerical value of his name.
