Michael Mann, who chose to file what many consider to be a cynical SLAPP (Strategic Lawsuit Against Public Participation) libel suit in the British Columbia Supreme Court, Vancouver six long years ago, has astonished legal experts by refusing to comply with the court direction to hand over all his disputed graph's data. Mann's iconic hockey stick has been relied upon by the UN's IPCC and ...

The horrific environmental and climate decimation being created by climate engineering are far beyond catastrophic. Though there are countless forms of anthropogenic damage to the planet and the climate system, global geoengineering operations are mathematically the most destructive of all. If public apathy regarding the climate engineering assault remains, if academia continues to lie about ...

During the Australian gold rushes, significant numbers of workers (both from other areas within Australia and from overseas) relocated to areas in which gold had been discovered. A number of gold finds occurred in Australia prior to 1851, but only the gold found from 1851 onwards created gold rushes. This is mainly because, prior to 1851, the colonial government of New South Wales (Victoria ...
