Now in its 3rd Edition, The Domain Investing Handbook has been updated for 2013 with more real world examples and case studies than ever before.

### **The Domain Investing Handbook – Buy, Sell, and Monetize**

The Domain Name Handbook is an enlightening introduction to the subject of the Domain Naming System's liberation from a single organisation to a world of domain name competition and a biting indictment of the current flip-flop on the important question of expanding the domain name space.

### **Amazon.com: Customer reviews: The Domain Name Handbook**

A domain name – such as [icann.org](http://icann.org) – is essentially the address of a person or an organization on the Internet. It is where other people can find you on line, and can also become your online identity. For example, businesses typically register domain names with their company name and sometimes
