“An egg. I answered. “Now it’s time for you to move on to your next life.” And I sent you on your way.

The Egg - Galactanet

The crack in this egg is a mode of thinking and action through which creative imagination can escape this mundane shell and open us to, and create within us, a new cosmic egg. The crack is an open-ended possibility that can take us beyond the broad, statistical way of the world.

Last night Catherine and I hosted our book club (9th grade girls) to talk about *The Egg and I* by Betty MacDonald. A classic book first published in 1947, *The Egg and I* tells the story of life for Betty and her husband when they buy a chicken farm in a remote area of Washington State’s Olympic Peninsula. While there were obviously some challenges in reading the book (different writing style ...
