the innovators advantage revealing pdf

A value network is a business analysis perspective that describes social and technical resources within and between businesses. The nodes in a value network represent people (or roles). The nodes are connected by interactions that represent tangible and intangible deliverables. These deliverables take the form of knowledge or other intangibles and/or financial value.

Value network - Wikipedia

This is a list of fictional characters from the Japanese anime television series, Mobile Suit Gundam 00, the eleventh incarnation of the Gundam media franchise.
