Though it lasted only a year, The Seven Arts had an oversized impact on American culture. Its mission was to promote an American renaissance, whereby the arts in the country would finally come of age by taking American life as their subject matter and the American people as their intended audience.

Early life. Rita Dove was born in Akron, Ohio, to Ray Dove, one of the first African-American chemists to work in the U.S. tire industry (as research chemist at Goodyear), and Elvira Hord, who achieved honors in high school and would share her passion for reading with her daughter. In 1970, Dove graduated from Buchtel High School as a Presidential Scholar.
