American Civil War alternate histories are alternate history fiction that focuses on the Civil War (or a lack thereof) ending differently. The American Civil War is a popular point of divergence in English-language alternate history fiction. The most common variant of these detail the victory and survival of the Confederate States. Less common variants include a U.S. victory under different ...

Counterfactual history, also sometimes referred to as virtual history, is a form of historiography that attempts to answer "what if" questions known as counterfactuals. Black and MacRaild provide this definition: "It is, at the very root, the idea of conjecturing on what did not happen, or what might have happened, in order to understand what did happen."
