

**tikki tembo arlene mosel pdf**

Tikki Tikki Tembo is a 1968 picture book written by Arlene Mosel and illustrated by Blair Lent. The book tells the story of a Chinese boy with a long name who fell into a well. It is a sort of origin myth about why Chinese names are so short today. The book is controversial because it appears to retell a Japanese story and because it does not portray Chinese culture accurately.
